## What we need from vendors...

- Provide a well stocked service which serves until last orders (10.30pm) (or if aimed at children until approx 6pm)
- Charge your standard prices for your products, this isn't Leeds Fest! it's a local community event and prices should be affordable.
- Use the communal generator which will be provided and charged at cost (circa £80-£100)
- Only sell the main menu we have agreed so all vendors have exclusivity on their speciality food. (all vendors may sell non exclusive sides to go with their food)
- You may not sell any drinks (except water), sweets or crisps unless agreed.
- You have identified and clearly stated any allergens on your menu and signage
- You will need public liability insurance and be registered with your local council
  as a food vendor
- You and your team will have appropriate valid food hygiene certification
- You'll need a truck, van, gazebo set up that can withstand the unpredictable British weather.
- You may dress your pitch as you wish, provided you don't block access or impinge on other vendors. You may not drop leaflets or place marketing materials around the site unless you sign up as a festival sponsor.
- A fair contribution as your pitch fee to help our fund raising.

Passionate about providing fresh, local food using quality local ingredients? Good because we've got a hungry crowd for you to feed! Come and sell your food at the Wetherby Beer Festival 2024!

## Interested? Make your pitch

### Send us an email, and include all the following information:

- 1. What type of food would you like to sell?
- 2. What's the price of most expensive and cheapest main dish you will be selling?
- 3. Confirm if your menu will include any GF, Vegan or Vegetarian options
- 4. Would you like to attend both days (May 3rd and 4th) or just Saturday (May 4th)?
- 5. How much are you prepared to pay for the pitch per day?
- 6. Your name and contact information

A word about pitch fees! We know that different vendors have different profit margins so we are asking you to make us a pitch! We are 100% about raising money for good local causes, everyone attending does so in the knowledge that they are doing good, so we ask all food vendors who wish to attend to make a donation to our fund raising - which is fair and reflective of what you can afford vis a vis your profit margin. So make us an offer we can't refuse to secure your space!
