Welcome

to The Best Beer Festival in Yorkshire!

We are absolutely delighted to be welcoming you to our 4th Wetherby Beer Festival sponsored by Manning Stainton. We're really excited for this year's event as we celebrate the connection between our festival and the members of the rugby and football clubs, the wider business communities of Leeds, Harrogate and York, and the many families living in the area. We're really developing quite the community with this festival!

We have gone all out again to hydrate you with the very best beers, wines and spirits that the region has to offer, sourcing beers primarily from local breweries and our gin and spirits from businesses literally on our doorstep.

For the first time ever, we're bringing you a Country night on the Friday, with some incredible tribute acts to Luke Combs and Shania, as well as Texas BBQ, a bucking bronco, and cowboy themed cocktails!

Our family day has an extended schedule this year. We've got some brilliant entertainment for the older youngsters with inflatable zorbing, nerf gun arena and penalty shoot outs. For the younger ones we are bringing back the brilliant Dance Lab and the fantastic Jeddy Bear & Gary, and there'll be plenty of face painting and hair braiding!

As well as raising money which helps our host sports clubs Wetherby RUFC and KDR Junior Football Club to survive, we're raising money for two fantastic charities this year. We're thrilled to continue our partnership with Martin House for a fourth year, whilst also raising money for Cardiac Risk in the Young (CRY) – a cause close to our hearts.

Finally I'd like to thank every single volunteer that gives their time freely for this wonderful cause. Without them it simply would not be possible.

So, without further a-do, enjoy a fun-filled weekend like no other in the region!

Cheers!

Stephen Hoather

ENJOY THE BRADLEY HALL BEER TENT

With a selection of **72 BEERS AND CIDERS** on offer; here's a handy guide to help you make the most of your tasting experience:

1 Explore the tasting notes:

Take a moment to peruse the tasting notes provided in this program. Each beer is described, highlighting its unique flavours and characteristics. Whether you prefer a hoppy IPA, a crisp lager, or a refreshing cider, there's something here to tantalize every palate.

2 Choose your beer:

Once you've found a beverage that piques your interest, take note of its corresponding 'Beer number' in the program. **This number will guide you to the right bar where your chosen beverage awaits.**

3 Head to the correct bar:

With your beer selection in mind, make your way to the bar it's being served from. **Please note that our volunteer staff can not serve you beers from multiple bars in one order.** At the long bar, try to queue close to where your beer is being served. (To make it easy, all beers are located in sequential number order).

4 Order by number:

Let our volunteer bar servers know your selection by **its number**. Pay for your beer using **festival tokens**.

5 Savour the Flavour: *Enjoy your beer!*

6 Repeat the Process:

With so many options to choose from, there'll be something new to discover. Your festival cup/souvenir pint glass should be reused. At the end of the evening take your cup home with you, it's yours to keep.

WHITTAKER'S ORIGINAL

This is a truly traditional style of London dry. An international award winning super smooth classic with a base of Juniper, Coriander and Angelica Root gently overlaid with signature botanicals of sweet Hawthorn Berries, Billberries, earthy Bog Myrtle, home-grown garden Thyme with a gentle hint of fresh lemon citrus. Most of these botanicals grow in the North Yorkshire Countryside so you get a sense of where it is from.

CAMOMILE LAWN

Delicate, elegant, super smooth London dry with a base of Juniper, Coriander and Angelica Root gently overlaid with our signature botanical of beautiful golden Camomile Flowers. This is when less is definitely more! This gin gives a real feel of hazy, lazy, long summer days.

RAMPANT RASPBERRY

Slightly sweetened compounded gin made with fresh Raspberries and sugar (but no too much and no artificial colourings or flavourings). The Raspberries are macerated in our Original Gin. It is a wonderfully fresh, vibrant pink gin for those who like something just that little bit sweeter.

SUMMER SOLSTICE

A fresh citrus, soft and smooth London dry gin with a base of Juniper, Coriander and Angelica Root, gently overlaid with signature botanicals of mainly fresh Pink Grapefruit, but with a little of White Grapefruit to give it softness and fresh Pomegranate to give it a fruity ending.

Served with a choice of Double Dutch tonic waters:

Indian Tonic Water, Skinny Tonic Water, Mediterranean Tonic Water

DIRECTORY OF SPONSORS

This event is only possible thanks to the amazing support we have received from our many sponsors, we can't thank them enough!

Please do look through our programme, and if you require a product or service that one of our sponsors can provide, do give them consideration. Without businesses like these supporting our local communities the world will be a far blander, less friendly, place.

So please think about shopping local and supporting local businesses - we all benefit in the end.

A young boy with dark hair is sitting in a wheelchair, laughing heartily with his mouth wide open. He is wearing a blue jacket. The background is a bright, sunny outdoor setting with green foliage. In the top right corner, there is a white box containing the Martin House Children's Hospice logo and tagline. In the center, there is a large white text overlay. At the bottom of the image, there is a blue button with white text and a small line of fine print.
