Welcome

to The Best Beer Festival in Yorkshire!

We are absolutely delighted to be welcoming you to our 3rd Wetherby Beer Festival sponsored by Manning Stainton. Something that started as a chat over a beer at the rugby committee meeting has become a staple in the diaries of the good and the great of our wonderful region. A community wide event that not only attracts members of the rugby and football clubs but the wider business communities of Leeds, Harrogate and York, and the many families living in the area.

We have gone all out to hydrate you with the very best beers, wines and spirits that the region has to offer, sourcing beers from local breweries and gin and vodka from businesses on our doorstep.

The music tent was so popular last year that we have stretched the budget to bring you the best tribute acts from Harry Styles to Bruce Springsteen and Fleetwood Mac to Oasis no less!

Our family day has an extended schedule this year. We've added some brilliant entertainment for the older youngsters with inflatable Zorbing, Nerf gun arena and penalty shoot outs. For the younger ones we are bringing back the brilliant Dance Labs who have kindly agreed to do two sessions and there'll be plenty of face painting and hair braiding.

The funds from the event were split across Martin House, a community project in Wetherby and the sports club. Without everyone's generous support, clubs like Wetherby RUFC and KDR Junior Football Club would not be able to thrive as they do.

Finally I'd like to thank every single volunteer that gives their time freely for this wonderful cause. Without them it simply would not be possible.

So, without further ado, enjoy a fun-filled weekend like no other in the region.

Cheers (

Jonathan Hirst, Festival Committee

ENJOY THE BRADLEY HALL BEER TENT

With a selection of **75 BEERS AND CIDERS** on offer; here's a handy guide to help you make the most of your tasting experience:

1 Explore the tasting notes:

Take a moment to peruse the tasting notes provided in this program. Each beer is described, highlighting its unique flavours and characteristics. Whether you prefer a hoppy IPA, a crisp lager, or a refreshing cider, there's something here to tantalize every palate.

2 Choose your beer:

Once you've found a beverage that piques your interest, take note of its corresponding 'Beer number' in the program. This number will guide you to the right bar where your chosen beverage awaits.

3Head to the correct bar:

With your beer selection in mind, make your way to the bar its being served from. **Please note that our volunteer staff can not serve you beers from multiple bars in one order**. At the long bar, try to queue close to where your beer is being served. (To make it easy, all Beers are located in sequential number order).

Order by number: Let our volunteer bar servers know your selection by **its number**. Pay for your beer using **festival tokens**.

5 Savour the Flavour: Enjoy your beer!

6 Repeat the Process:

With so many options to choose from, there'll be something new to discover. Your festival cup/souvenir pint glass should be reused. At the end of the evening take your cup home with you, it's yours to keep.

DIRECTORY OF SPONSORS

This event is only possible thanks to the amazing support we have received from our many sponsors, we can't thank them enough!

Please do look through our programme, and if you require a product or service that one of our sponsors can provide, do give them consideration. Without businesses like these supporting our local communities the world will be a far blander, less friendly, place.

So please think about shopping local and supporting local businesses - we all benefit in the end.
